

Dear Friends of David D. Sturtz -

I am working on compiling stories and life lessons from Dave's life and will be writing a book that will include these stories and life lessons. The book will share the fruit of his life through these stories.

Thank you for being a part of Dave's life and for your willingness to share your personal stories and experiences. I want to know how Dave's life has influenced your life.

By submitting to me these stories, you give me permission to publish them and to include your name with the story. If you do not want your full name included, please let me know. When the book is published, you will be notified.

Please email responses to – ejsturtz7@gmail.com

Thank you in advance for sharing.

Below are the questions I'd like for you to ponder and respond -

Share a 1st person story or stories where you and Dave were together and what life lessons you learned in the situation/event and how it has impacted your life.

How did David D. Sturtz make a difference in your life?

What is the fruit of David D. Sturtz' labor that is evident in your life?

Blessings,

Elaine
