

HELP SUPPORT ONE OF OUR THIN GOLD LINES

Dispatcher Shelley Town

Dispatcher Shelley Town of the Warren Dispatch Center was diagnosed in February with Stage 3 Colon Cancer. She has been fighting a battle and recently underwent surgery in her fight to conquer this horrific disease. As we all stand behind and support her, many ask; How can I help? What can I do?

Shelley has been off work since the time of diagnosis, and she still has a long road ahead. This road is one we can support her through and help her walk, or maybe even run to the finish line and reach remission and good health!!

Anyone wishing to help Shelley can do so by donating to a special account set up for her at Seven Seventeen Credit Union in Warren, Ohio.

Checks or cash deposits can be made at any Seven Seventeen branch or can also be mailed to the following address.
