

We Need Your Help Please Lend a Helping Hand

www.stufferstuck.com • 147949259

Trooper Jesse and Lisa Brown and their beautiful children Wyatt, age 4 and Evelyn, age 2, are a part of the Ohio State Highway Patrol Ashland Post family.

Wyatt has recently been diagnosed with Severe Aplastic Anemia, a rare condition in which the bone marrow does not produce adequate number of new blood cells. Wyatt will be receiving a bone marrow transplant from his sister Evelyn the 1st week of December.

Wyatt will be hospitalized for several months and the family will be staying at the Ronald McDonald house during his hospitalization. We are asking everyone that can, to please donate and help this wonderful family during this difficult time.

A fundraising account titled "Brown Family Donation" has been set up at the State Highway Patrol Federal Credit Union. If you are a member of the credit union you may donate by simply calling the credit union at 1-800-282-3006 and telling them you wish to donate to the Brown Family Donation account. If you are not a member, you may send a check Payable to Jesse Brown to the State Highway Patrol Federal Credit Union at 1900 Polaris Parkway Ste .400, Columbus, Ohio 43240

"People appreciate and never forget that helping hand especially when times are tough"
